

Limiting Reagent Lab

Due 4-12-2016
No late reports!

(1) Typed 12pt font; Times Roman

(2) Type the data table ^{OR} Arial

Type in stoich. calculations
for theoretical yields

Type % yield calculations

use strikethrough
to show the
cancellation of
units

(3) Include the typed balanced equation

(4) Explain why you think your % yield is below 75%
or above 100%!!

↳ sources of possible error!

Law of conservation of mass (include in Lab)

Mass of react. = mass of prod.
